

Gosho Passage

August 2015

Nichiren Daishonin states in “Recorded Lectures”:

Now is the time of the Latter Day of the Law, when one can attain Buddhahood by propagating the seven characters of Nam-Myoho-Renge-Kyo, and enable others to receive benefit from the Buddha. Thus, if one mixes the practice of chanting the Daimoku with other practices, it will be a deviation from the correct path. This is the time for one to embrace this great mandala of Myoho-Renge-Kyo, engrave it in one’s heart, and chant the Daimoku aloud.
