Nichiren Daishonin states in “The Daimoku of the Lotus Sutra”:

Amber draws dust and a loadstone attracts iron particles; here our evil karma is like the dust or iron, and the daimoku of the Lotus Sutra is like the amber or the loadstone. If we consider these analogies, we can see why we should always chant Nam-Myoho-Renge-Kyo.

宗祖日莲大圣人于《法华题目抄》曰：

hǔ pò qǔ chén cí shí xī tiě wǒ dě ngzhī è yè rú chén
琥珀取尘，磁石吸铁。我等之恶业，如尘

rú tiě fǎ huá jī ng tí mù rú hǔ pò rú cí shí
如铁，法华经题目，如琥珀、如磁石。

xū zuò rú shì xiǎ ng chángchàng Nam - Myoho - Renge - Kyo

须作如是想，常唱南无妙法莲华经。
